Leadership

- Big and Mini F.A.M. Program director (2020- Present)
 - I created the F.A.M. Program to help connect young individuals with disabilities and their peers virtually, in an effort to alleviate loneliness amid the COVID-19 pandemic and beyond.
 - <https://bigandmini.org/famsite>

Research Experience

- Independent Research under the Supervision of Dr. Terry Falcomata (2020- Current)
 - Evaluating the effects of the F.A.M. Program on the happiness exhibited by children with disabilities, using single-subject design and indices of happiness
-

Awards/Achievements

- 2020 University of Texas College Scholar
 - Phi Kappa Phi Honor Society
 - University of Texas University Honors (2017-2020)
 - 2020 Austin Half- Marathon Finisher
-

Work Experience

- Robin Healthcare - Clinical Coordinator (2019-2020)
 - Worked with medical scribes to produce digital patient records
 - Filtered patient-provider encounter videos
 - Scheduled patients into online system

Shadowing Experiences

- Westlake Medical Clinic- Dr. Phong Hoai Thu Nguyen, MD
 - Contact: phonghoainguyen@gmail.com
- The Johnson Center For Child Health and Development- Dr. Dane Mosher, DO
 - Contact: dmosher@johnson-center.org
- Global Medical Training - Dr. Milagros Chan, MD
 - Contact: dr.milagros@gmtonline.org

Community Service

- Big and Mini (2020- Present)
 - I get to chat with a senior citizen each week to help reduce social isolation amid the pandemic.
- F.A.M. Program
 - I enjoy chatting with 2 young individuals on the autism spectrum each week.
 - I also coordinate the program and join other groups calls occasionally.
- To Love Ourselves (2020-Present)
 - I write letters to young women in need of support when I get the chance.
- Distributed Proofreaders (2020)
 - Proofread books that were in the publishing process
- Houston Food Bank (2019-2020)
- GMT Medical Mission trip- Panama (2019)
 - Worked with underserved populations in Los Santos, Panama
 - Took patient vitals and health history
 - Assessed patient chief complaint and made tentative diagnosis
 - Collaborated with supervising doctors to confirm diagnosis
 - Distributed patient medication and explained diagnosis and dosage instructions
- Micah 6 Food Pantry (2019)
- Austin Rookie Triathlon (2019)
- CBI Dance Set-up (2018)
- Boundless Dance Outreach (2017-2018)
- Friendship Haven Retirement and Rehabilitation Home (2015-2018)

Extracurricular Activities

- Steel Dance Company (2018-Present)
 - Global Medical Training (2017-Present)
 - Planet Longhorn (2018-2020)
 - Boundless Dance Outreach (2017-2018)
 - Lions Club (2017-2018)
-
